Defense To Offence

**The church is becoming
One like we should be
Now in Jesus name
Let's share the victory**

**Indeed the battle
Is very intense
Because we're shifting
From defense to offence**

**The shield of faith
Has served us well
With it we repulsed
The hounds of hell**

**The breast plate is
Covering our back
And shielding us from
Satan's attack**

**Now the sword of the
Holy Spirit's in play
And we're on offense
The rest of the way**

**The church is becoming
One like we should be
Now in Jesus name
Let's share the victory**

**Ephesians Chapter 6, Verses 10-18,
Put on the full armor of God that you may be able to stand firm against the schemes of the devil.**
