

Dick We Seem Closer
Written December 14, 2009

Dick We Seem Closer

Dick we seem closer
These past twelve year more
Then as brothers
On the earth before

I just feel we have
A mutual heartbeat
In our spirits
That's really neat

Neat because Jesus
Has put it there
A oneness of heart
By which we can share

Mother's trust we're
About to finalize
And in truth I have
Come to realize

Jesus connected us
In spirit and soul
So His perfect will
Through you I could know

And now brother
In my inner being
Praise God I know we're
Doing the right thing

Colossians Chapter 1. Verse 20.
Jesus reconciled heaven and earth.
