Established Intent

America God
Has nothing to prove
He's just waiting for
His people to move

Through darkness from our
Government within
The light of Jesus
Has grown very dim

That substance of what
True freedom's about
That ingredient
They'd legislate out

Perverting our laws
Established intent
Most of this country
They misrepresent

America how
Did we sink so low
How'd they get in charge
Does anyone know

America God
Has nothing to prove
He's just waiting for
His people to move

Deuteronomy Chapter 16, Verse 19.
Thou shalt not distort justice.
Acts Chapter 13, Verse 10.
Wilt thou not cease to pervert right ways.
