### Every Day And Forever

Valentines is a time  
To show your love it's true  
But Judy every day and  
Forever I will love you

Happy valentines  
To Judy I say  
As I look back one year  
From Valentine's Day

We ate at Red Onion  
And had a good meal  
Not knowing our joy  
Satan would try to steal

We had no idea  
Nor did we know  
In just a few days  
I would lose my toe

Yes a year ago  
That's where we were  
And my wife Judy God  
Knows how I love her

She was my hero  
During those dark days  
She nursed me back to health  
In so many ways

Now it's Valentine's Day  
Two thousand eighteen  
And I'll celebrate it  
With my wife and Queen

Valentines is a time  
To show your love it's true  
But Judy every day and  
Forever I will love you

1 John 4-8.  
God is love any my wife Judy reflects that love.
