For The Sake Of Love

Jesus made it plain  
We must walk in love  
But friends this poem is  
For the sake of love

America there's  
Simply no excuse  
To keep enduring  
These people's abuse

Love is not what the  
ACLU's about  
So for the sake of love  
Lord take these people out

Precious Lord Jesus  
Is it not true  
If they offend Your church  
They're offending You

Is not walking in love  
Praying for them to see  
That they have made themselves  
God's mortal enemy

Jesus made it plain  
We must walk in love  
But friends this poem is  
For the sake of love

Matthew Chapte 12, Verse 30.  
He who is not with me is against Me. an he who does not gather with Me scatters abroad.
