For Your Children's Sake

(Lest We Forget)

God said it plain
And will never bend
Forget Me and I'll
Forget your children

What could be worse
Then a curse on our youth
But without Jesus
That's the awful truth

When Godless laws come
From government heads
That curse trickles down
On the governs heads

Our schools have been turned
Into a blood bath
Because law makers
Left God's beaten path

So pray for each
Government head
That they'll pray and act
On what God has said

Blessing and curses
Are yours to make
Choose blessings and live
For your children's sake

Hosea Chapter 4, Verse 6 (Seeing thou hast forgotten the law of thy God, I will also forget thy children.)
