Freedom Liberal Style

If we keep living
Freedom liberal style
Without Jesus we'll all
Be slaves in a while

You can't deny Jesus
Without getting denied
Oh Lord deliver us
From their self-seeking pride

Liberals think the church
Needs their permission
To fulfill the Lord's
Great commission

Their agenda is
Cut and dry no doubt
Equalize God's word
By throwing His Son out

Who would liberals
Make God equal with
Why themselves of course
By creating a myth

Read in God's word
It's there very plain
With out Jesus God's Son
Religion is vain

If we keep living
Freedom liberal style
Without Jesus we'll all
Be slaves in a while

Heaven and earth will pass away, but My words (Jesus) will not pass away.
(Mark 13:31)
Why do the heathen rage and devise a vain thing?
(Psalm 2:1)
