### God's Beaten Pathway

Church they look at us as  
Though we're out of place  
But they're the ones that  
Have left Jesus grace

God's beaten path  
They left long ago  
And it's been so long  
They don't even know

Lord turn it around  
While there's still time  
Before complete darkness  
Takes over their mind

Help America  
To get back her sight  
And rediscover  
The path to God's light

Psalm Chapter 119, Verse 105.  
Thy word is a lamp unto my feet, and a light unto my path.
