

He Won't Let You Down
By Sam Weaver

He Won't Let You Down

He won't let you down
And I was certain
As I spoke those last words
To my cousin Burton

He seemed uncertain but
Jesus said to tell him
I won't let him down for I am
The beginning and the end

Jesus told me
Death is a lie
He has sworn by Me
And he cannot die

He will live forever
Without a doubt
And when his time comes
I will prove it out

He won't let you down
And I was certain
As I spoke to last words
To my cousin Burton

John 11-26.

He who believes in Me will never die.
