### How Ironic

How ironic  
Slavery once again  
Would come at the hands  
Of a black man

American rights  
He's completely ignored  
And denies Jesus  
Was ever Lord

He has left no doubt  
He would enslave us  
And my prayer is  
Jesus come save us

As our God's real  
He will not go on  
Vindication's coming  
And it won't be long

The Lord will defend us  
And bar his way  
For in my spirit  
I can hear Jesus say

Very soon now  
He's going to see  
This revelation  
He'll never be Me

Isaiah Chapter 31, Verse 2.  
God does not retract His words.  
Exodus Chapter 5, Verse 2.  
Pharaoh said, Who is the Lord that I should obey His voice.  
Pharaoh, Let my people go!
