Invest In God's return

In the business world of people
Money is always the game
With financial power
The one and only aim

For people's security rest
On money each earns
Interest rates and dividends
Yields from profit returns

But it's all false security
That will soon fade and wane
For there's only one return
That yields eternal gain

Invest in God's return
Invest in God's return
Recoup all loss through the cross
Invest in God's return

*While people deal with money
Jesus deals with the soul
And as he gets souls revived
They're put in God's escrow*

*Till every soul has a chance
To exercise their option
To merge with God's inheritance
Through the first born of his adoption*

*Takers get dividends of peace
Through Jesus protective shield
With interest rates that grow with faith
And salvation the ultimate yield*

*Invest in God's return
Invest in God's return
Recoup all loss through the cross
Invest in God's return*

Matthew Chapter 6, Verses 19,20,21. Where your treasures are, there will your heart be also.
