

In Visions I Can See  
By Sam Weaver

In Visions I Can See

Lord I am so grateful  
For answered prayer  
In visions I can see  
Many answers there

I can see into the  
Future in my mind  
Judy we're leaving for  
Heaven at the same time

Lord I am so grateful  
For answered prayer  
In visions I can see  
Many answers there

Jeremiah 31-3.  
I have loved thee with an everlasting love.
