

Jesus Laid It Out
By Sam Weaver

Jesus Laid It Out

America
Without a doubt
Observe and look
Jesus laid it out

Call it what you will
The good and bad guys
The bearers of truth
And bearers of lies

The passionate
The self-absorbed
A dividing line
Drawn by the Lord

America
Do you not see
This parties demons
Will have to flee

This impeachment is
God's pandora box
And the democrats
Have been outfoxed

America
Without a doubt
Observe and look
Jesus laid it out

Psalm 73-24.

Thy will guide us with Thy council and afterward receive us to glory.
