Katie And Sarah

Katie remember
That interview
When Sarah Palin
Conversed with you

Sarah said Iran
Leaders are the bad guys
They thrive on hate
And thrive on lies

Treating Sarah
Like a little child
Your response was a
Condescending smile

Now you interviewed
This evil man
That misrepresents
Both God and Iran

Professional both
You and Sarah are
But Sarah knows we're
In a spirit war

Objectiveness
Katie has it's place
But not against those
That mock at God's grace

Katie remember
That interview
When Sarah Palin
Conversed with you

Psalm 97, Verse 10. Hate evil, you who love the Lord.
Matthew Chapter 6, Verse 13. Deliver us from evil.
Romans Chapter 5, Verse 20. Where evil abounded, grace did much more abound.
