

Let Them Go  
By Sam Weaver

Let Them Go

They're disconnected  
In body and soul  
They don't want Me  
Let them go

Sam this is Jesus  
Listen to me  
Listen well  
I want you to see

Don't try to tell Me  
What justice is about  
The democrat party  
I'm taking them out

Whatever good they've done  
In history that's gone  
And I hereby declare  
They will not live on

There's nothing left  
Not even a shell  
They mock heaven  
And endorse hell

They're disconnected  
In body and soul  
They don't want Me  
Let them go

Matthew 10-14.  
Shake off the dust of your feet.
