

Lord Did I Hear Right  
By Sam Weaver

Lord Did I Hear Right

Lord did I hear right  
How could it be  
That they could be destroyed  
So completely

But as time goes on  
I'm getting a hint  
That these people are  
Not going to repent

Jesus I pray they're  
Not cursed with a curse  
For in truth they seem  
To be getting worse

This Christian nation  
They don't understand  
And seem determined to  
Bring darkness to our land

They say Trump is  
Morally unfit  
And when he asked for  
Prayer they mock at it

Like a sinking ship  
They keep going down  
With no sense of danger  
That they're about to drown

Yes it keeps coming  
So painfully clear  
Soon this party will  
No longer be here

Lord did I hear right  
How could it be  
That they could be destroyed  
So completely
