

Lord I Remember Them  
By Sam Weaver

Lord I Remember Them

Lord I remember them  
I remember them all  
Those I know in heaven  
That ever answered Your call

Yes Lord Jesus I  
Thank You from my heart  
For indeed I know You  
Arranged it from the start

For through the years Lord  
I didn't know what to do  
And I know these beautiful  
Souls were sent by You

For Lord Jesus one thing  
I know to be true  
In being there for me  
They were there for You

Those beautiful souls  
How I love them all  
And I know their reward's great  
For answering Your call

Lord I remember them  
I remember them all  
Those I know in heaven  
That ever answered Your call

Revelation 14-13.  
Blessed are those that die in the Lord. Their works will follow them.
