

Sarah
By Sam Weaver

Sarah

Sarah you're doing your
Job Judy and I know
But there's no mistaking
God's light's in your soul

You have tapped into
The heart of Jesus
And through His love
How you have blessed us

And may these blessings
Come back to you
Where ever you go
And whatever you do

And Judy and I know
God's love has no end
And we have no doubt
We will meet again

Sarah you're doing your
Job Judy and I know
But there's no mistaking
God's light in your soul

1 Corinthians Chapter 13. Verse 8.
Love never fails.
