

She Claimed Up Because  
By Sam Weaver

She Claimed Up Because

She claimed up because  
Darkness can't stand the light  
She claimed up because  
The left can't stand the right

She claimed up because  
The truth's she's against  
And her sincerity  
Is one big pretense

She claimed up because  
Of what she's about  
She claimed up because  
God's bringing His truth out

She claimed up because  
Darkness can't stand the light  
She claimed up because  
The left can't stand the right

Matthew 12-30.

You are either with Me or against Me. You either gather with Me or You scatterer
