

St. Jude's At Chiles

St. Jude's At Chiles

St. Jude at Chiles
We ate there before
But we had no idea
Jesus would open a door

We wanted to give
But I have to admit
We never could get
Around to it

St. Jude's hospital
Jesus put on our heart
But Judy and I thought
To give where do we start

Who would have thought the
Place where we went to eat
Would make a way for our
Gift to be made complete

And Judy and I know
That without a doubt
Through this restaurant
Jesus worked our gift out

St. Jude at Chiles
We ate there before
But we had no idea
Jesus would open a door

Like 6-38.
Give and it shall be given.
