

T. J. And Ronnie's Float  
By Sam Weaver

T. J. And Ronnie's Float

Lord thank You for T. J.'s  
And Ronnie's decision  
To run with Your call  
To fulfill their vision

From year to year  
They work very hard  
And blessing others  
Is their only reward

How inspired  
It makes us feel  
To see their float  
In motion on wheels

T. J. and Ronnie came up  
With a carefully laid plan  
To please children with  
A sleigh and a snowman

And the Reason For The Season  
And Merry Christmas too  
Allows the true Spirit  
Of Christmas to break through

Christ is in big letters  
So there can be no doubt  
That Jesus is what  
This float is about

And telling the story  
Of what Christmas means  
Is a display of  
The manger scene

To remind us where  
It all began  
When Jesus came so  
We could be borne again

Yes indeed here is  
A float for the ages  
Reflecting Jesus story  
From Bible pages

Lord thank You for T. J.'s  
And Ronnie's decision  
To run with Your call  
To fulfill their vision

Acts 26-19.  
We were not disobedient to the heavenly vision.
