### Tell Them Our Story

Tell them our story  
Babe and let it flow  
Tell them our story  
Babe they need to know

Tell them what happened  
To you and to me  
Tell them our story  
Babe for God's glory

I went to heaven  
November's last day  
But I'm still with you  
You'll know what to say

Tell them what happened  
On our fateful night  
How God turned darkness  
Back into the light

Our story is clear  
Babe keep telling them  
If your're in Jesus light  
The darkness can't win

Tell them our story  
Babe and let it flow  
Tell them our story  
Babe they need to know

Acts Chapter 26, Verse 18.
