

That Place  
By Sam Weaver

That Place

Jesus thank You for taking  
Us back to that place  
Where we can feel the  
Full measure of Your grace

That place where anointing  
Within us can flow  
So the gifts within  
Judy and I can flow

That place where our  
Spirits become one  
Under the covering  
Of Jesus God's Son

So the gifts Jesus  
Put in each vessel  
Can come out at a  
Place called New Bethel

Jesus thank you for taking  
Us back to that place  
Where we can feel the  
Full measure of Your grace

Psalms 31-35.  
Our times are in Thy hands.  
1 Corinthians 13-8.  
Love never fails.
