

The Heart Of India  
By Sam Weaver  
Dedicated to Ariel Yedudah

### The Heart Of India

Lord Jesus we pray  
Through Your love embrace  
And protect the heart  
Of India's race

The heart of India  
Her vessels of birth  
Give them safe passage  
As they come to earth

God's birth connection  
Should be India's joy  
But enemies of God  
And man would destroy

India you're in  
A spiritual fight  
That would take away  
Your female birthright

For if Satan can  
Take your female part  
He can take away  
The womb of God's heart

Lord Jesus we pray  
Through Your love embrace  
And protect the heart  
Of India's race

Jeremiah Chapter 1, Verse 5. Before God formed you in the womb, He knew you.  
Amos Chapter 1, Verse 13. God will not revoke the punishment of those who rip open the pregnant women in order to enlarge their borders.
