

The Past Is Crying Out
By Sam Weaver

The Past Is Crying Out

The past is crying out
From the departed
Finish the work on
Earth we all started

The eternal long run
We say this in love
The eternal long run
Is what we're thinking of

Lord Jesus there's a reason
We've been left behind
The past is crying out
Inspiring this rhyme

The past is crying out
From the departed
Finish the work on
Earth we all started

John 17-4.
Finish the work Jesus gave you to do.
