The Truth Won't Change

The Truth Won't Change  
So don't blame me  
This old poet is just  
Fulfilling his ministry

This rhyme and poem  
Is a warning call  
Abortion is  
Sacrificing to Baal

Baal is a demon  
Spirt from of old  
That can make the  
Human soul grow cold

Sacrificing human  
Babies at birth  
Is demonic  
Activity on earth

Ladies pray so you can  
Discern right from wrong  
So you can learn the truth  
Of what's going on

The truth won't change  
So don't blame me  
This old poet is just  
Fulfilling his ministry

John 8-32. Know the truth and the truth will make you free.
