

The Veil Of Time Is Lifting

The Veil Of Time is lifting

The veil of time is lifting
All over the earth
As mankind's journey
Enters rebirth

A coming together
Of eras of time
Breaking barriers
In the human mind

Jesus said those gone
On that are in Me
Through time Sam
You can now see

For the time warp
That they were in
Is being erased
And brought to an end

For the wall of time
God created
Is now being
Evaporated

The veil of time is lifting
All over the earth
As mankind's journey
Enters rebirth

Psalm 31-15.
Our times are in Thy hands.
