

Their Attitude Betrays Them  
By Sam Weaver

Their Attitude Betrays Them

Jesus we cannot help  
Lord how they feel  
So all we can do is  
Ask You to come and heal

Their attitude betrays them  
In America's sight  
They're race conscience  
And cannot unite

What they accuse  
Others of they do  
And they do not know how  
To see justice through

When we would seek peace  
They push us away  
Because of past events  
From yesterday

Jesus we cannot help  
Lord how they feel  
So all we can do is  
Ask You to come and heal

John 17-34.  
Father that hey all may be one in us.
