

This Is What's Going On
By Sam Weaver

This Is What's Going On

It's not right or left
It's not right or wrong
America listen
That's not what's going on

America after
All is said and done
Where does in action and
Confusion comes from

There is but one
Unchanging fact
Taking Jesus out has
Thrown this nation off track

But a line is being
Drawn in the sand
America throughout
And across our land

Those for and against
The God of our youth
Will be divided
For or against the truth

For an awakening
Is coming soon
For those with an ear
To stay in tune

It's not right or left
It's not right and wrong
America listen
This is what's going on

Joshua 24-14,15.
Choose you this day whom you will serve.
