

This Woman  
By Sam Weaver

(America Knows Who This Woman Is)

This Woman

Jesus said Sam I  
Am salvation's key  
But first this woman  
Needs to listen to me

This woman is  
An affront to God  
The wrong spirit's in her  
And that makes her a fraud

She uses God's word  
To perpetrate lies  
And she has no fear  
Of God before her eyes

This woman does not  
Have her own will  
For her vessel  
Is demon filled

Her vessel is  
Cursed with a curse  
And only she can  
Put it in reverse

Jesus said Sam I  
Am salvations key  
But first this woman  
Needs to listen to me

Psalm 2-2.  
Why do the heathen rage and imagine a vain thing.
