### Through Jesus And Prayer

Don't let the truth be  
Educated out  
By letting them lead you  
Down the intellect route

America just  
Look back in time  
Our laws were shaped through  
The human spirit mind

That Jesus gave our  
Ancestors access to  
Giving them wisdom  
To know what to do

They have closed the door  
Though they might not know it  
But it's evident their  
Beginning to show it

For God's wisdom  
Is no longer there  
And it won't come back  
But through Jesus and prayer

Don't let the truth be  
Educated out  
By letting them lead you  
Down the intellect route

1 Corinthians Chapter 15, Verse 44.  
There is a natural body and there is a spiritual body.
