### Times Such As This

It was times such as this  
That Mike Snook suffered for  
The beauty for ashes  
That came from that war

Mike and Lori with friends  
Went back to the scene  
To Vietnam in  
Two thousand fifteen

North and South Vietnam  
The dividing line was there  
Drawn on a bridge  
Where Mike said his prayer

On each side of the  
Line Mike placed each foot  
And witnesses said when  
He prayed the bridge shook

In Vietnamese  
Mike was calling out  
Heaven opened up as  
He continued to shout

A Vietnam Vet  
And their guide too  
**Both received healing**  
When Mike prayed through

**But what gave Mike such**  
Prayer power when he prayed  
His past tells how his  
Foundation was laid

His wife Lori  
And friends can attest  
The road Mike traveled  
So he could be blessed

From a journey he made  
In another time  
Mike Snook can now help  
Dark places to shine

It was times such as this  
That Mike Snook suffered for  
The beauty for ashes  
That came from that war

Psalm 31, Verse 15.  
Our times are in thy hands.
