

Touched  
By Sam Weaver

Touched

Touched can mean  
More than one thing  
For more than one  
Meaning it can bring

At times you could  
Say that I'm slow  
And not very swift  
Dear Lord I know

Just a little touched  
You could call me  
But in my slowness  
I take time to see

That Jesus moves at  
His own time and pace  
And my slowness helps me  
To fit into His race

Being touched has helped  
Me to learn how to wait  
For I have learned that  
Jesus is never late

I wait for Jesus touch  
And what He has to say  
And what comes from it is  
Being touched in a beautiful way

Touched can mean  
More than one thing  
For more than one  
Meaning it can bring

Psalm 27:14. Wait on the Lord: Be of good courage, and He shall strength thine heart.  
Wait I say, on the Lord.
