

Unfinished  
By Sam Weaver

Unfinished

With William Parish Lord  
If we're not yet through  
Then by Your word Lord tell  
Judy and me what to do

Unfinished  
That's what comes to me  
In my spirit  
That's what I see

Dear Lord in heaven  
What did we miss  
Judy and I  
Are burdened by this

Lord Jesus why are we  
Beginning to doubt  
Please tell us what  
We have left out

Lord Jesus restore back  
The by gone days  
Tell us what to do and  
We'll give You the praise

Jesus help Judy and me  
With William to know  
By making us one in  
Heart, spirit and soul

With William Parish Lord  
If we're not yet through  
Then by Your word Lord tell  
Judy and me wat to do

Proverbs 17-17.  
A friend loves at all times.
