

Why Did I Live  
By Sam Weaver

Why Did I Live

Why did I live  
Now I know why  
Jesus has showed me  
And He doesn't lie

Jesus said put down  
What I tell you to right  
And I will bring  
Hidden truths to light

Jesus told me  
If this you will do  
Revelation knowledge  
I will write through you

That's when I understood  
What was meant to be  
And why so many  
Went ahead of me

For Jesus through His word  
Said they're not very far  
Then He made it clear  
Where they really are

In a holding place  
Made by Jesus  
Waiting to be made  
Perfect with us

Why did I live  
Now I know why  
Jesus has showed me  
And He doesn't lie

Hebrews Chapter 11, Verses 39, 40, and Chapter 12, Verse 1.

God has determined and provided a way for those gone on ahead of us to not be made perfect apart from us that are to follow.

Therefore we are surrounded with a great cloud of witnesses.
