Lord Work Through Their Wills

The heathen rages
Destruction's their goal
Because of darkness
That reins in their soul

God's kingdom of light
They're enemies of
They choose Satan's hate
And reject God's love

Lord work through their wills
Before it's to late
Let Your love light shine
Through the veil of hate

Continuously
They make their assault
Thinking they can bring
God's truth to a halt

Jesus when their time's
Up what will they do
Nothing can save them
Lord, not even You

Lord work through their wills
Before it's to late
Let Your love light shine
Through the veil of hate

John Chapter 15, Verse 25.
They hated Me without a cause.
