Enough Said

In the church should a
Woman ever be
Spiritually
In authority

Would God use her as
His anointed arm
Without prejudice
To her fleshy form

God is not worried
About flesh earth suits
He judges strictly
By spiritual fruits

Out of the belly
Flows living waters
Spiritual gifts for
Both sons and daughters

In God's eyes it's not
A matter of who
But vessels that let
Him work His will through

When anointing speaks
You are Jesus lead
Woman or man
Enough said

Joel Chapter 2, Verses 28, 29
