

Your Gift Will Make A Way
By Sam Weaver

Your Gift Will Make A way

Lord I don't know what
You want me to do
I'm in confusion
So, I'm asking You

I'm told not to say
So I really don't know
What to do about
Our praise and worship flow

Sam this is Jesus
You know what to do
Ask Me for the answer
And I'll give it to you

You know My word Sam
What does it say
For every gift
I will make a way

They're no exceptions
I want you to see
And that includes the gift
I gave to Judy

Lord I don't know what
You want me to do
Listen Sam
I just told you

Proverbs 18-16.

Your gift will make room for you because your gifts are given to you by God, and He will use your gifts.
