Nations Of The World

I'm just a poet  
That writes what I see  
God is my judge  
Listen to me

Not by the letter,  
But by the spirit  
Can this word be clear  
For one to hear it

Nations of the world  
Hear and understand  
President Trump from  
The start was God's man

Trump's anointed to  
Restore and redeem  
The covenant behind  
The American dream

Nations of the world  
Hear and understand  
God's purposes will be  
Fulfilled through this man

Indeed, Jesus is  
Saying through this rhyme  
Trump is anointed  
And this is his time

And nations of the world  
Hear this for a fact  
All your pomp showing off  
Your strength won't change that

I'm just a poet  
That writes what I see  
God is my judge  
Listen to me

2 Corinth. 3-6. Not by the letter, but by the spirit, for the letter kills, but the spirit gives life.  
Psalm 105-15. Touch not mine anointed.
